A screenshot of a Discord server interface. The top bar shows the server name 'Deep Dive: AI Art' and a dropdown menu. Below it, the 'Events' tab is selected. The left sidebar shows a list of channels: 'DD:AA' (selected), 'TEXT CHANNELS' (containing '# general' and '# ai-art'), and 'VOICE CHANNELS' (containing 'General'). The main area displays a large, colorful illustration of a server welcome screen. The illustration features a blue sky with clouds, a pink and white robot-like character on the left, a blue and white robot-like character on the right, and a small table with a drink. The text 'Your server is ready! Welcome! You belong here' is centered, with a button 'Take me to my server!' below it. At the bottom of the main area, there are two buttons: 'Download the Discord App' and 'Add your first app'. The bottom status bar shows the user's profile 'Learn AI S...' and a 'Message #general' button.
